

Sinclair Broadcasting is abusing the FCC license they've been granted. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest.

Media consolidation HAS GONE TOO FAR! This is about the profit of large corporations that own the media outlets that we depend on to live in a democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
